Further details:

- 2nd cohort DR flash presentations (Monday): Brief personal (+ background) introduction plus short intro to the own RTG-PCL project
- Flash- + Poster-sessions for the 1st cohort (Tue - Wed): Latest results / Progress since last Summer School. Associated DRs are also welcome to participate.
- PI talks (Tue - Thu): Topical developments in the running project period including also the 2nd cohort projects
- GA meeting (Thursday): RTG-related topics, incl. status of 1st cohort projects and finalizing the PhD theses, joint publications, publications with DRs as co-authors, development of new courses for the RTG, scheduling the next joint meetings (on-site + summer school), etc.
- Open Book session (Thursday): All PIs and DRs to discuss latest status and development
- Progress meetings DRs + (Co-)Supervisors (Friday): include also feedback on annual written reports (1st cohort), presentations, manuscript drafts, etc. from the supervisor and co-supervisor (if not done earlier or during the school),
- There should be opportunities for the 2nd cohort DRs to meet all PIs and select a mentor!
- We should discuss whether a hobby project competition will take place for the 2nd cohort (Could be during the GA meeting on Thursday and later together with the DRs)
