

Master Module Chem-Ma-C06

Electrochemistry

SS 2024

The course language will be English

Successful completion of the course results in 5 credit points (5 LP). The credit points are acquired if the student lecture and the written examination is passed.

The final grade results from the weighted average of the grades from the student lecture (25 %) and the written examination (75%).

Lectures & Seminars

The lecture and seminar will be held in hybrid form (CHE182 and zoom).

Time: Wednesday from **7.30 a.m** to **9.00 a.m.** and from **9.20. a.m** to **10.50 a.m.**

The seminar will be held each week from **10.00 a.m.** on

Lecturers:

Prof. Inez Weidinger (inez.weidinger@tu-dresden.de)

Dr. Minghao yu (minghao.yu@tu-Dresden.de)

Dr. Hoang Khoa Ly (hoang_khoa.ly@tu-dresden.de)

Dr. Alexey Popov (A.Popov@ifw-dresden.de)

The lectures by Inez Weidinger can be followed via:

Student Lectures

You are asked to prepare and give a **20 mins lecture** on a given topic. 5 mins discussion are excluded in the 20 mins.

Student lectures are planed to be presented at the end of the semester (last two weeks).

Topics and literature as well as more information will be provided in the near future.

Examination

There will be a 90 min written examination at the beginning of the semester break. The date will be decided in the lecture.

In order to write the exam you have to be registered for this course in SELMA. If you are unable to enrol please contact us.
